This relates to a total of \$66.88 in charges for the party you arranged and for which you told me to sign so the corporation would pay for it. I certainly am not. All I wanted to do was get to sleep or what I would have done had you not asked otherwise, gone home and not have had a wasted night limited to 2 hours of sleep. You were all strangers to me, all were Argosy people and the purpose was Argosy purpose. By the way, when you check the phone for bugs you wrecked it. At 3 a.m., when I tried to place a call so I could catch the first train, I discovered this and had to get dressed, go down to the desk, and arrange to be awakened in person! HW 1/20/76
